1. **Approval of Minutes, 6/20/12.** Moved by Shaw. Seconded Wiley. Approved as written.
2. **Committee members.** Rebecca Borowski's seat on the committee has been filled by Pamela Ameigh. We still need to find a replacement for Cindy Maier from a 2-year college. We would welcome a school librarian or member from BOCES if available, recognizing that there may be serious time constraints for those folks. Glen has accepted a new position in Miami and will therefore be opening the Cornell seat.
3. **Recent events.** Survey monkey results from recent training events are available. Nora will send a link to the evaluations.
4. **Upcoming Events.** Pamela noted that the online book discussions have been yielding low participation. Nora will send link for the next scheduled discussion about **Quiet: The Power of Introverts in a World that can't Stop Talking** by Susan Cain. More details are available at <http://tinyurl.com/9a422mo> . Upcoming *Community Engagement* Leadership Luncheon will tie in with previous presenter's (R David Lankes) session on "Library as platform" (maker spaces, and so on...). *Teaching Information Literacy to Online Learners* is next in the Distance Learning Support series. NYLA Conference 11/7-10 in Saratoga Springs. For those able to attend, George Needham (OCLC) present on Friday at 8:00 am, **Libraries in a Post-Print World**.
5. **Presenter Suggestions.** Still looking for ideas and presenters about collection development.
6. **NY 3Rs sessions for Fall (from Amigos Library Services).** Nora will send link so everyone can review for topics of interest to our region. We did look at the range of offerings during the meeting, but there are many. Feedback requested ASAP.
7. **LSTA Grant, 2012-13: Leading, Innovating & Thriving/IMLS Grant.** LSTA grant is funding many workshops and webinars. IMLS grant is being written for a 3-year program to help librarians take full advantage of online education. SCRLC will partner with Syracuse U's iSchool to submit and (if won) implement it. It will teach them how to deliver it and how to benefit most effectively from it as a student.
